Subject: Input received via facebook re Harrison, NE Park, Windom Park & Beltrami Park neighborhoods

Below is feedback I've received via Facebook. I've asked them to send it in directly, but in case they don't I'm forwarding it.

David Greene (don't know address):

Please do not split the Harrison neighborhood in two. The neighborhood does not want it and as a historically oppressed community we need to listen to them.

Amanda Tempel (1706 Tyler St NE Minneapolis MN 55413):

Please dissolve NE Park & split us into 2! We identify more with our neighbors to the north or south of the park & have different interests that are not represented by the current neighborhood structure!

NE Park is the smallest neighborhood in the city & shrinking. Split us so that North of the park is with Windom Park (we focus around 18th & the quarry already); have those South of the park identifies with Beltrami (centered around Broadway St NE).
